

# COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: September 22, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

- Travel-Related Measures:** A summary of the travel and tourism-related measures in place in each province and territory. Current travel restrictions and self-isolation requirements are also available on Destination Canada's website: <https://caen-keepexploring.canada.travel/covid-19-traveller-guidance>
- Methodological Notes:** An explanation of the methodologies in the different sections and relevant sources.

## 1. TRAVEL-RELATED MEASURES

In addition to federal government testing procedures and potential isolation requirements for those who are eligible to enter Canada, individual provinces and territories have implemented measures on travel between provinces and territories. Please consult the Government of Canada website for the latest federal travel requirements: <https://travel.gc.ca/travel-covid>.

The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of September 22, 2021.

### Travel Measures

	Traveller self-isolation required?	Travel restrictions?
<b>British Columbia</b> 1, 2	<p>No self-isolation for domestic travellers entering British Columbia.</p> <p>As of September 7, no self-isolation upon entering British Columbia for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering British Columbia, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering British Columbia. Some Indigenous communities in BC are not welcoming visitors at this time. <a href="#">Indigenous Tourism BC</a> has a list of Indigenous experiences in the province that are currently open and welcoming visitors.</p> <p>Non-essential travel to or from the Interior is discouraged until individuals are fully vaccinated.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to British Columbia provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<b>Alberta</b>	<p>No self-isolation for domestic travellers entering Alberta.</p> <p>As of September 7, no self-isolation upon entering Alberta for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Alberta, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Alberta.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Alberta provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<b>Saskatchewan</b>	<p>No self-isolation for domestic travellers entering Saskatchewan.</p> <p>As of September 7, no self-isolation upon entering Saskatchewan for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Saskatchewan, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Saskatchewan.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Saskatchewan provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<b>Manitoba</b> <sup>3, 4</sup>	<p>No self-isolation upon entering Manitoba for fully vaccinated domestic travellers. Partially vaccinated or unvaccinated domestic travellers must complete a 14-day self-isolation. Unvaccinated children under 12 years of age of fully vaccinated domestic travellers are exempt from self-isolation.</p> <p>As of September 7, no self-isolation upon entering Manitoba for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Manitoba, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for fully vaccinated domestic travellers entering Manitoba. Partially vaccinated or unvaccinated domestic travellers are required to self-isolate.</p> <p>Travel to and from northern Manitoba is restricted, with exceptions for those who are fully vaccinated, those who are travelling directly to cottages, provincial parks, campgrounds or hunting and fishing lodges, and other specific exceptions.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Manitoba provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<b>Ontario</b>	<p>No self-isolation required for domestic travellers entering Ontario.</p> <p>As of September 7, no self-isolation upon entering Ontario for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Ontario, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Ontario.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Ontario provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<b>Quebec</b>	<p>No self-isolation required for domestic travellers entering Quebec.</p> <p>As of September 7, no self-isolation upon entering Quebec for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Quebec, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Quebec.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Quebec provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>

## Traveller self-isolation required?

## Travel restrictions?

	Traveller self-isolation required?	Travel restrictions?
<p><b>New Brunswick</b> <sup>5</sup></p>	<p>As of September 22, no self isolation required for fully vaccinated domestic travellers entering New Brunswick. Unvaccinated or partially vaccinated domestic travellers, including New Brunswick residents, are required to self-isolate for 14 days, or until receiving a negative result from testing on day 10.</p> <p>As of September 7, no self-isolation upon entering New Brunswick for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering New Brunswick, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>As of September 22, all Canadian residents entering New Brunswick, including New Brunswick residents re-entering the province, must <a href="#">pre-register</a>, with restrictions for those who are not fully vaccinated or unvaccinated.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to New Brunswick provided that they meet specific <a href="#">entry and testing requirements</a> and have <a href="#">pre-registered</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p><b>Nova Scotia</b> <sup>6, 7</sup></p>	<p>No self-isolation requirements for travellers from Prince Edward Island, and Newfoundland and Labrador.</p> <p>Travellers from other Canadian provinces and territories (including New Brunswick) follow self-isolation protocol dependent on vaccine status: 2 doses at least 14 days before arrival = no self-isolation; 1 or 0 doses = 7-day self-isolation and 2 negative tests.</p> <p>As of September 7, no self-isolation upon entering Nova Scotia for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Nova Scotia, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>No travel restrictions for travellers from Prince Edward Island and Newfoundland and Labrador.</p> <p>No travel restrictions for travellers from other Canadian provinces and territories (including New Brunswick) but they must complete the <a href="#">Safe Check-in Form</a> and refer to the self-isolation protocol dependent on vaccine status.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Nova Scotia provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p><b>Prince Edward Island</b> <sup>8</sup></p>	<p>Partially or fully vaccinated people travelling to Prince Edward Island from within Atlantic Canada or the Magdalen Islands and who have a <a href="#">PEI Pass</a> do not have to self-isolate, subject to rapid testing at point of entry.</p> <p>Fully vaccinated people travelling to Prince Edward Island from within Canada, but outside of Atlantic Canada, and who have a <a href="#">PEI Pass</a> do not have to self-isolate, subject to rapid testing at point of entry.</p> <p>Unvaccinated or partially vaccinated PEI residents and Canadian visitors travelling from within Canada, but outside of Atlantic Canada, are required to complete a declaration form and self-isolate for 8 days, with testing at point of entry and on day 8.</p> <p>As of September 7, no self-isolation upon entering Prince Edward Island for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Prince Edward Island, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>All Canadian residents can travel to Prince Edward Island with restrictions for those who do not have a <a href="#">PEI Pass</a>.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals who have a <a href="#">PEI Pass</a> can travel to Prince Edward Island provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p><b>Newfoundland and Labrador</b> <sup>9, 10</sup></p>	<p>All travellers who have not travelled beyond Atlantic Canada in the last 14 days are not required to self-isolate upon entering Newfoundland and Labrador, regardless of vaccination status.</p> <p>Fully or partially vaccinated Canadian residents have no testing or self-isolation requirements. Unvaccinated Canadians are tested on day 7, 8 or 9, and must self-isolate until receipt of a negative test result. Mixed groups of vaccinated and unvaccinated adult travellers must follow the rules for unvaccinated travellers. Unvaccinated children under the age of 12 travelling with vaccinated or partially vaccinated adults are not required to self-isolate.</p> <p>As of September 7, no self-isolation upon entering Newfoundland and Labrador for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Newfoundland and Labrador, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p>	<p>All Canadians are permitted to enter Newfoundland and Labrador. All travellers can complete the <a href="#">Travel Form</a> up to 30 days prior to their travel date.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals who have submitted the <a href="#">Travel Form</a> up to 30 days prior to their travel date can travel to Newfoundland and Labrador provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p><b>Yukon</b> <sup>11</sup></p>	<p>No self-isolation required for domestic travellers entering Yukon.</p> <p>As of September 7, no self-isolation upon entering Yukon for <a href="#">fully vaccinated</a> foreign nationals provided that they meet specific <a href="#">entry and testing requirements</a>. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Yukon, but must follow <a href="#">strict public health measures</a> that include avoiding crowded settings.</p> <p>The Government of Canada has <a href="#">specific guidelines</a> for driving to or from Alaska through Canada. Read the State of Alaska's <a href="#">health guidance for travellers during the COVID-19 pandemic</a>.</p>	<p>No travel restrictions for domestic travellers entering Yukon. Several First Nations governments and communities currently have <a href="#">travel advisories</a> in place. Travellers are asked to travel <a href="#">responsibly</a> and follow the <a href="#">Safe 6</a>.</p> <p>As of September 7, <a href="#">fully vaccinated</a> foreign nationals can travel to Yukon provided that they meet specific <a href="#">entry and testing requirements</a>. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>

## Traveller self-isolation required?

## Travel restrictions?

### Northwest Territories <sup>12, 13</sup>

No self-isolation required for fully vaccinated travellers admitted into the Northwest Territories (residents, non-resident essential workers or travellers with an exemption). Fully vaccinated travellers going to communities other than Yellowknife, Inuvik, Fort Smith, Hay River, Fort Simpson and Norman Wells require a COVID-19 test on days 1 and 14. Mandatory 8-day self-isolation for partially vaccinated admitted travellers with a COVID-19 test on day 8. Mandatory 10-day self-isolation for unvaccinated admitted travellers, including children under 12 and household members who did not travel, with a COVID-19 test on day 10. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories [website](#).

As of September 7, no self-isolation upon entering the Northwest Territories for [fully vaccinated](#) foreign nationals provided that they meet specific [entry and testing requirements](#) and who are admitted to enter the Northwest Territories. Unvaccinated children (and those travelling with them) will not be able to forgo the mandatory 10-day isolation requirement. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories [website](#).

Leisure travel into the Northwest Territories by non-residents is currently not permitted. Exemptions are considered for compassionate reasons, family reunification, exceptional circumstances, travel from Nunavut, and remote tourism with tourism operators with plans approved by the Chief Public Health Officer.

As of September 7, [fully vaccinated](#) foreign nationals may be authorized to travel to the Northwest Territories only to participate in remote tourism with an approved remote tourism operator provided that they meet specific [entry and testing requirements](#). Fully vaccinated foreign nationals must have an exemption from the Northwest Territories Chief Public Health Officer; exemption requests will be assessed on a case-by-case basis. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.

### Nunavut <sup>14, 15</sup>

As of September 17, the Common Travel Area with Churchill, Manitoba is closed. All unvaccinated travellers who arrived in Nunavut on or after September 12 must isolate immediately for 14 days from the day they entered the territory. Vaccinated travellers who returned to Nunavut from Churchill after September 12 must wear a mask and monitor for symptoms for 14 days.

No isolation required for travellers admitted to enter Nunavut who are fully vaccinated and who have received an exemption after completing the [Traveller's Declaration Form](#). Mandatory 14-day isolation for all other admitted travellers prior to boarding a plane to Nunavut except for those travelling directly from Nunavik, Quebec.

Mandatory isolation must occur in government-designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife.

Unvaccinated children travelling with fully vaccinated parents or guardians can self-isolate for 14 days in Nunavut rather than at a government-designated site outside of the territory.

As of September 7, no self-isolation upon entering Nunavut for [fully vaccinated](#) foreign nationals provided that they meet specific [entry and testing requirements](#) and are admitted to enter Nunavut. Unvaccinated children will not be able to forgo the mandatory 14-day self-isolation requirement.

As of September 20, travel in and out of Kinngait is not recommended.

As of September 17, the Common Travel Area with Churchill, Manitoba is closed. All existing Common Travel Area authorization letters are no longer valid.

Entry into Nunavut requires authorization from the territory's Chief Public Health Officer. Authorization may be granted for: residents, critical workers, those travelling within the Common Travel Area of Nunavik, Quebec, and non-residents entering for family reunification, exercising Aboriginal or treaty rights, or engaging in wilderness tourism with an operator that has an approved Wilderness Tourism Operator COVID-19 Operations Plan.

As of September 7, [fully vaccinated](#) foreign nationals may be authorized to travel to Nunavut provided that they meet specific [entry and testing requirements](#). Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.

Most Parks Canada places will be open and welcoming visitors with adjustments to access and services. Access to visitor facilities and services may be limited. Please consult the Parks Canada website for an updated list of specific Parks Canada locations with special instructions: <https://www.pc.gc.ca/en/voyage-travel/securite-safety/covid-19-info#locations>

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of September 22, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

## Tourism Related Measures

	Current Phase/Stage	Hotels & Accommodation	Restaurants & Dining	Activities & Attractions	Large Gatherings/ Conferences
<b>British Columbia</b> 16, 17, 18, 19, 20, 21	<p>BC is in <a href="#">Step 3</a> of its 4-step <a href="#">Restart Plan</a>.</p> <p>As of August 25, masks are mandatory throughout British Columbia in indoor public spaces for anyone aged 12 and older.</p> <p>Proof of vaccination is required to access some events, services and businesses. As of September 13, anyone aged 12 and older must be partially vaccinated (1 dose). As of October 24, anyone aged 12 and older must be fully vaccinated. Events, businesses and services will ask to see proof of vaccination and valid government ID.</p>	<p><b>Interior Health region:</b> Gatherings at vacation rentals (e.g. houseboats, Airbnbs) are limited to five people plus the occupants.</p> <p><b>Rest of province:</b> Accommodations are open with control/safety measures in place.</p>	<p>Proof of vaccination is required to access all restaurants, cafes, pubs, breweries and nightclubs. As of September 13, anyone aged 12 and older must be partially vaccinated (1 dose). As of October 24, anyone aged 12 and older must be fully vaccinated.</p>	<p>Proof of vaccination is required to attend casinos, concerts, movie theatres, performances and sporting events. As of September 13, anyone aged 12 and older must be partially vaccinated (1 dose). As of October 24, anyone aged 12 and older must be fully vaccinated.</p> <p>Businesses are in transition from a COVID-19 Safety Plan to a communicable disease plan. Some safety measures will remain, like physical barriers. Casinos are open at reduced capacity. It is recommended to check with the facility or tourism operator directly to confirm its status.</p> <p>Most parks, beaches and outdoor spaces are open.</p> <p>Free day-use passes are required to visit Garibaldi, Golden Ears, Joffre Lakes, Mount Robson and Stawamus Chief provincial parks. Provincial park campground reservations open two months in advance at the time of booking. Group camping sites have returned to normal occupancy levels.</p>	<p>Proof of vaccination is required to attend indoor organized gatherings such as conferences and meetings. As of September 13, anyone aged 12 and older must be partially vaccinated (1 dose). As of October 24, anyone aged 12 and older must be fully vaccinated.</p> <p><b>Northern Health region:</b> As of September 7, indoor personal gatherings may have maximum 5 guests or 1 additional household. Outdoor personal gatherings may have maximum 50 people. Indoor organized gatherings can have maximum 50 people or 50% capacity, whichever is greater. Outdoor organized gatherings can have 5,000 people or 50% capacity, whichever is greater. All indoor events and outdoor events with more than 200 people should have a safety plan in place.</p> <p><b>Interior Health region:</b> Indoor personal gatherings may have maximum 5 guests or 1 additional household. Outdoor personal gatherings may have maximum 50 people.</p> <p>As of September 13, with proof of full vaccination (2 doses), indoor public gatherings can have maximum 50 people or 50% capacity, whichever is greater. Outdoor organized gatherings can have 5,000 people or 50% capacity, whichever is greater.</p> <p>From September 13 to October 23, with proof of partial vaccination (1 dose), indoor public gatherings can have maximum 50 people and outdoor public gatherings can have maximum 100 people.</p> <p><b>Rest of province:</b> All public health measures have been lifted for indoor and outdoor personal gatherings. Indoor organized gatherings can have maximum 50 people or 50% capacity, whichever is greater. Outdoor organized gatherings can have 5,000 people or 50% capacity, whichever is greater.</p> <p><b>Entire province:</b> Fairs, festivals and trade shows return to regular operations with a communicable disease plan in place.</p>

	Current Phase/Stage	Hotels & Accommodation	Restaurants & Dining	Activities & Attractions	Large Gatherings/ Conferences
Alberta <sup>22</sup>	<p>Proof of vaccination, a privately-paid-for negative COVID-19 test taken within 72 hours or a medical exemption will be required to access non-essential businesses and events that implement the <a href="#">Restriction Exemption Program</a>. As of September 20, anyone aged 12 and older must show proof of one dose taken at least 2 weeks earlier. As of October 26, anyone aged 12 and older must be fully vaccinated. Businesses that do not implement this program have <a href="#">additional restrictions</a>.</p> <p>Masks are mandatory in all indoor public spaces and on public transit.</p>	Hotels, motels, hunting and fishing lodges can resume regular operations.	<p><b>As of September 20:</b></p> <p>All licenced establishments, including restaurants, bars and nightclubs, that implement the <a href="#">Restriction Exemption Program</a> can resume regular operations. To access these establishments: As of September 20 anyone aged 12 and older must show proof of one dose taken at least 2 weeks earlier, or a privately-paid-for negative COVID-19 test taken within 72 hours or a medical exemption. 	Current Phase/Stage	Hotels & Accommodation	Restaurants & Dining	Activities & Attractions	Large Gatherings/ Conferences
<b>Yukon</b> <sup>37</sup>	<p>As of August 20, Yukon is guided by <a href="#">Forging Ahead, The Yukon's Continuing Response to COVID-19</a>.</p> <p>As of August 26, <a href="#">all public health orders are lifted</a>. While masking is not required in public spaces, the Chief Medical Officer of Health recommends wearing a mask in <a href="#">certain situations</a>. Some facilities and businesses may choose to maintain their own policies on health measures, including mask use.</p>	Accommodations are open with control/safety measures in place.	All restaurants and licenced establishments can resume regular operations.	As of August 26, most businesses and enterprises can resume regular operations. Most parks and outdoor spaces are open. It is recommended to check with the facility, tourism operator or Yukon Parks directly to confirm its status.	As of August 26, all public health measures are lifted for indoor and outdoor gatherings.
<b>Northwest Territories</b> <sup>38, 39, 40, 41, 42</sup>	<p>Northwest Territories is in the Indoor Gatherings phase of its reopening plan, <a href="#">Emerging Wisely 2021: Step by Step Together</a>.</p> <p>As of August 26, masks are mandatory throughout the Northwest Territories in indoor public spaces.</p>	Accommodations are open with control/safety measures in place.	<p><b>As of September 24 in Yellowknife, N'Dilo and Dettah:</b> Restaurants, bars and lounges can have maximum 10 people for indoor dining and 25 people for outdoor dining with physical distancing and exposure control plans in place. All previous exemptions for restaurants and bars will no longer apply.</p> <p><b>As of September 11 in Whati and Behchoko:</b> Dining establishments are limited to takeout only.</p> <p><b>Rest of NWT:</b> Restaurants, bars and lounges can operate at maximum capacity or 200 people.</p>	<p><b>As of September 24 in Yellowknife, N'Dilo and Dettah:</b> Non-essential businesses can have maximum 10 people indoors and maximum 25 people outdoors with physical distancing and exposure control plans in place. All previous exemptions for businesses and organizations will no longer apply.</p> <p><b>As of September 11 in Whati and Behchoko:</b> Essential businesses and facilities may remain open with maximum 10 people permitted indoors. Non-essential businesses are closed.</p> <p><b>Rest of NWT:</b> Businesses and enterprises are permitted to operate with adherence to health measures and following sectoral guidelines.</p> <p>Most parks and outdoor spaces are open. It is recommended to check with the facility or tourism operator directly to confirm its status.</p>	<p><b>As of September 24 in Yellowknife, N'Dilo and Dettah:</b> Gatherings in homes can have a household plus 5 people with no more than 10 people total. Indoor public gatherings can have maximum 10 people with physical distancing. Outdoor public gatherings can have maximum 25 people with physical distancing.</p> <p><b>As of September 11 in Whati and Behchoko:</b> All indoor and outdoor gatherings are prohibited with persons outside of a household.</p> <p><b>Rest of NWT:</b> Most indoor and outdoor gatherings, both private and public, and including business gatherings like tradeshow and conferences, can have up to 200 people.</p>
<b>Nunavut</b> <sup>43, 44, 45, 46</sup>	<p>Nunavut is guided by <a href="#">Nunavut's Path: Living with COVID-19</a>, an approach that supports the territory in its long-term response to COVID-19.</p> <p>As of September 20, <a href="#">masks are mandatory</a> across Nunavut.</p>	Accommodations are open with control/safety measures in place.	<p><b>As of September 20 in Kinngait:</b> Restaurants and other licenced establishments can have maximum 25% capacity.</p> <p><b>Rest of Nunavut:</b> Restaurants and other licenced establishments can have maximum 75% capacity.</p>	<p><b>As of September 20 in Kinngait:</b> Businesses can open with sufficient physical distancing. Businesses that cannot maintain physical distancing can have maximum 10 customers. Theatres, galleries and museums can have maximum 50% capacity or 25 people, whichever is less. No group tours are allowed. All municipal and territorial parks may open, but buildings are closed. Arenas can have maximum 50% capacity or 50 people, whichever is less.</p> <p><b>Rest of Nunavut:</b> Businesses can open with sufficient physical distancing. Businesses that cannot maintain physical distancing can have maximum 10 customers. Galleries and museums can have maximum 50% capacity or 25 people, whichever is less. Group tours can have up to 10 people and masks are mandatory. Theatres can have maximum 75% capacity or 100 people, whichever is less. All municipal and territorial parks can open. Arenas can have maximum 50% capacity or 50 people, whichever is less.</p>	<p><b>As of September 20 in Kinngait:</b> Gatherings in homes are limited to a household plus 10 people. Outdoor gathering are limited to 50 people. Indoor public gatherings can have maximum 50% capacity or 25 people, whichever is less.</p> <p><b>Rest of Nunavut:</b> Gatherings in homes are limited to a household plus 15 people. There are no restrictions on outdoor gatherings. Indoor gatherings outside of homes can have maximum 50% capacity or 50 people, whichever is less. Indoor gatherings in community halls, conference spaces, and within government and Inuit organization facilities can have maximum 75% capacity or 100 people.</p>

## 2. METHODOLOGICAL NOTES

**I. Travel-Related Measures:** In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
